CONFERENCE SCHEDULE

TIME	ACTIVITY	PRESENTER	ROOM
8:00 AM – 9:00 AM	Breakfast Doors open. Breakfast is served. Enjoy the fellowship with 200 home inspectors and inspection industry vendors.	—	302 ABC
9:15 AM – 11:15 AM	“Track 1: 4-Hour Update Course, Part 1” This first part, combined with Part 2, is approved by the NC Board for home inspector CE. This class includes free access to 8 additional hours of NC-approved online CE by internachi.edu. The combined class is approved by the NC Licensing Board and InterNACHI® for 4 CE hours.	Ken Brittain	301 AB
9:15 AM – 11:15 AM	“Everything You Need To Achieve Success” Learn how to access and leverage everything you need to be a successful home inspector. Ben will discuss training, certification, licensure, getting experience, inspection tools, profitable fees, websites, software, time management, branding, marketing strategies, growth, making more money, business tools, and much more! It is approved for 2 InterNACHI® CE hours.	Ben Gromicko	303
11:30 AM – 12:30 PM	Lunch Lunch is served. Enjoy the fellowship with hundreds of other home inspectors and inspection industry vendors.	—	302 ABC
12:45 PM – 2:45 PM	“4-Hour Update Course, Part 2” Combined with Part 1, this second part is approved by the NC Board for home inspector CE. This class includes free access to 8 additional hours of NC-approved online CE by internachi.edu. The combined class is approved by the NC Licensing Board and InterNACHI® for 4 CE hours.	Ken Brittain	301 AB
12:45 PM – 2:45 PM	“Advanced Roof Inspection Training” Learn advanced inspection techniques to apply during a home inspection by a certified roof inspector and master trainer. It is approved by the NC Licensing Board and InterNACHI® for 2 CE hours.	Matthew Brodeur	303
3:00 PM – 5:00 PM	“Social Media Marketing Strategies” Learn how to market your home inspection business successfully through social media channels. It is approved for 2 InterNACHI® CE hours.	Stephen Tucci & Josh Koontz	301 AB
3:00 PM – 5:00 PM	“Electrical Inspections Simplified for Home Inspectors” Learn how to inspect the electrical system, including the electrical panelboard components, during a home inspection. It is approved by the NC Licensing Board and InterNACHI® for 2 CE hours.	Lon Henderson	303
